PHILIPPINES SPOTLIGHTED

8/02/10 from HATONN/jonur

Good morning, Jonur; Commander Hatonn present to commune. We have much to do from here on out, son; let us continue with renewed INSPIRATION (def: In Spirit). As always I come only in service to God Aton of the Holy White Light. Amen.

HARD TO BELIEVE A
HANDFUL OF "JEWS"
CONTROLS YOUR WORLD?

THINK AGAIN!

Throughout the ages you have been taught of an "anti-Christ". And yet, no one has a clue what that really means. All of you in human manifested format are "anti-Christian", if you will. This is not the label of a man, or even a group of Khazar "Jews" posing as Hebrew Judaists. Like all other things in the PHYSICAL dimension, this term denotes a *state of being*. **Anything that pulls you away from God, The Creation (two separate and distinct entities), and Goodness—is, by definition: Anti-Christ/Anti-God.**

Since your world has long been in the hands of the elite deceivers, the programming on the minds of the masses of each generation has hindered man's ability to see God in all things. If you do not "see" God in thy own brethren, how can there be peace upon the planet as a whole?

A wondrous coming together over the weekend has occurred in Detroit, Michigan, concerning the presented example of a nation and world bringing hope, family, and Godliness back to America. This United States (in) America was founded as a Christian (meaning adherent to Christ Teachings) nation, and it is this ideal that the Jews have been trying to destroy. For your nation is the hope of the world.

In addition to the focus of Light and Shielding upon "The Motor City" and the plight of not only Black Americans—but the entire Middle-class—this is also the core nucleus for *THE SIPAPU ODYSSEY*. At "the Gathering", many famous and influential persons will be in attendance, as well as the Native American presence which coincides with the yearly Indian festival. This is a most crucial scene and will allow for participation of

ALL who wish to experience. **And yes, indeed, your adversary most certainly DOES have the capability to cause fires—FROM SPACE—to damage homes and property. Do not err in believing the fire in Tehachapi was not directly connected with our motion picture presentation and shooting schedules. It is most certainly related!**

The Zionist affiliated Khazars ("Jews") do not want these movies coming to the attention of the masses; because with them will come the truth of your world AND WHO THE NEGATIVE PROGRAMMERS ARE. Well, too bad, for God also has a Global 2000 Plan to implement! I will detail these things shortly, but first let us continue a bit of lesson, and review of some of your current happenings. All of which are caused by the Secret Fraternal Orders (intelligence agencies) whose membership is descended from ancient Biblical times. Did you think all your great discoveries and technology came upon you during the past hundred years?? Come now, chelas, what do you think goes on in the so-called "secret mystery schools"?

It is time for the average man and woman of the street

to catch up with where humanity is TODAY. For it is your lack of knowledge about such things that will do you in. I repeat a quote of which you all should greatly contemplate: “My people are destroyed for lack of knowledge.” So be it.

Is the United States Ruled by a Dictatorial Elite? Wall Street And The Rise of Hitler, excerpt (Chapter 12) from the book by Anthony C. Sutton, published in 1976. *UNCENSORED* magazine, March-June 2010. “Here is the incredible story of the American financiers who provided the money and materiel Hitler used to launch World War II.” [Continuing quote:] ... Within the last decade or so, certainly since the 1960s, a steady flow of literature has presented a thesis that the United States is ruled by a self-perpetuating and unelected power elite. Even further, most of these books aver that this elite controls, or at the least heavily influences, all foreign and domestic policy decisions, and that no idea becomes respectable or is published in the United States without the tacit approval, or perhaps lack of disapproval, of this elitist circle.

Obviously the very flow of anti-establishment literature by itself testifies that the United States cannot be wholly under the thumb of any single group or elite. On the other hand, anti-establishment literature is not fully recognized or reasonably discussed in academic or media circles. More often than not it consists of a limited edition, privately produced, almost hand-to-hand circulated. There are some exceptions, true, but not enough to dispute the observation that anti-establishment critics do not easily enter normal information/distribution channels. [Pause quote.]

Jonur, pause here, please; I am needed elsewhere. Nourish the body and return in the afternoon. Thank you. Hatonn to clear.

8/02/10 from Hatonn/jonur

Hatonn present to continue. Jonur, pick up where we left off, please.

Is the United States Ruled by a Dictatorial Elite? Wall Street And The Rise of Hitler, by Anthony C. Sutton. [Resume quote:] ... Whereas in the early and mid-1960s, any concept of rule by a conspiratorial elite, or indeed any kind of elite, was reason enough to dismiss the proponent out of hand as a “nut case”; the atmosphere for such concepts has changed radically. The Watergate affair probably added the final touches to a long-developing environment of skepticism and doubt. We are almost at the point where anyone who accepts, for example, the Warren commission report, or believes that the decline and fall of Mr. Nixon did not have some conspiratorial aspects, is suspect. In brief, no one any longer really believes the Establishment information process. And there is a wide variety of alternative presentations of events now available for the curious.

Several hundred books, from the full range of the political and philosophical spectrum, add bits and pieces of evidence, more hypotheses, and more accusations. What was not too long ago a kooky idea, talked about at midnight behind closed doors, in hushed and almost conspiratorial whispers, is now openly debated—not, to be sure, in Establishment newspapers, but certainly on non-network radio talk shows, the underground press, and even from time to time in books from respectable Establishment publishing houses.

So let us ask the question again: Is there an unelected

power elite behind the U.S. Government?

A substantive and often-cited source of information is Carroll Quigley, Professor of International Relations at Georgetown University, who in 1966 had published a monumental modern history entitled *Tragedy and Hope*. **[Hatonn: This is an important work uncovering the basic plan of the Jewish Khazarian elite power structure. This man himself was an elitist; however, he believed the ORDER should not be “underground” and secretive. His contemporaries disagreed, and he was subsequently “taken out” because of it.]** Quigley’s book is apart from others in this revisionist vein by virtue of the fact that it was based on a two-year study of the internal documents of one of the power centers. Quigley traces the history of the power elite:

“The powers of financial capitalism had another far reaching aim, nothing less than to create a world system of financial control in private hands able to dominate the political system of each country and the economy of the world as a whole.”

Quigley also demonstrates that the Council on Foreign Relations, the National Planning Association, and other groups are “semi-secret” policy-making bodies under the control of this power elite.

In the following tabular presentation we have listed five such revisionist books, including Quigley’s. Their essential theses and compatibility with the three volumes of the “Wall Street” series are summarized. It is surprising that, in the three major historical events noted, Carroll Quigley is not at all consistent with the “Wall Street” series evidence. Quigley goes a long way to provide evidence for the existence of the power elite, but does not penetrate the operations of the elite.

Possibly, the papers used by Quigley had been vetted and did not include documentation on elitist manipulation of such events as the Bolshevik Revolution **[H: Again, this is the revolution in Russia in 1917 where 100 MILLION-PLUS Christian Russians were brutally butchered by Jews imported from New York. These Jews changed the name of Russia—founded as a Christ-revering nation like yourselves—to “SOVIET UNION”, thus forming the evil faction of world power known as “COMMUNISM”! Bolshevik “Communists” are, in fact, Jews.]**, Hitler’s accession to power, and the election of Roosevelt in 1933. More likely, these political manipulations may not be recorded at all in the files of the power groups. They may have been unrecorded actions by a small ad hoc segment of the elite. It is noteworthy that the documents used by this author came from government sources, recording the day-to-day actions of Trotsky, Lenin, Roosevelt, Hitler, J.P. Morgan and the various firms and banks involved.

On the other hand such authors as Jules Archer, Gary Allen, Helen P. Lasell, and William Domhoff, writing from widely different political standpoints, are consistent with the “Wall Street” evidence. These writers present a hypothesized “power elite” [that] has manipulated specific historical events.

Obviously any such exercise of un-constrained and supra-legal power is unconstitutional even though wrapped in the fabric of law-abiding actions. We can therefore legitimately raise the question of the existence of a subversive force operating to remove constitutionally guaranteed rights.

The New York Elite as a Subversive Force.

Twentieth-century history, as recorded in Establishment

textbooks and journals, is inaccurate. It is a history which is [based] solely upon those official documents which various Administrations have seen fit to release for public consumption.

But an accurate history cannot be based on a selective release of documentary archives. Accuracy requires access to all documents. In practice, as previously classified documents in the U.S. State Department files, the British Foreign Office, and German Foreign Ministry archives **[H: And the Germans should know! The Bavarian Illuminati is of German origin, just as “Rothschild” (German for “Red Shield”) was the label of his money-changing shop, where all the wars of all of OLD Europe were financed. The German people, however, are more Christ-like/“Christian” than are you Americans! Stand with your Germanic brothers and bring forth those teachings of anti-gravity discs and other secret “UFO” technology. Even your CIA had its birth in the Nazi apparatus being transplanted to San Louis Obispo, California.]** and other depositories are acquired, a new version of history has emerged; the prevailing Establishment version is seen to be not only inaccurate, but designed to hide a pervasive fabric of deceit and immoral conduct.

The center of political power, as authorized by the U.S. Constitution, is with an elected Congress and an elected President, working within the framework and under the constraints of a Constitution, as interpreted by an unbiased Supreme Court. We have in the past assumed that political power is consequently carefully exercised by the Executive and legislative branches, after due deliberation and assessment of the wishes of the electorate. In fact, nothing could be further from this assumption. The electorate has long suspected, but now knows, that political promises are worth nothing. Lies are the order of the day for policy implementers. Wars are started (and stopped) with no shred of coherent explanation. Political words have never matched political deeds. Why not? Apparently because the center of political power has been elsewhere than with elected and presumably responsive representatives in Washington, and this power elite has its own objectives, which are inconsistent with those of the public at large. [Pause quote.]

Break here, please, Jonur, so that this document can get to the printers and editors. Great and wondrous things happen when you give yourself back to The Lord. Allow the knowing that God is the great giver in your lives. It is His energy—ELECTRICITY—that causes *life* to be breathed into your daily works. *The Sipapu Odyssey, And They Called His Name Immanuel, I Am Sananda*, the Tesla movie, and the series of JOURNALS that will comprise the truth in visual format IS the “Hope” of your nation and world manifested! Do you not see? It has begun! Joseph Clyburn, Jr., the director of these first, beginning projects, will be in Tehachapi, California, on August 15th to meet with participants on the Sipapu project. The Native American Festival is a yearly event, and preparation and foundation is most important. God’s delays are not His denials. The director and his sister Franziska (Christina) will be in attendance to begin this wondrous journey into the enlightenment of your fellow man. It is time now for ones to SEE that which we have been endeavoring to teach you lo these past 24 years.

Gyeorgos Ceres Hatonn, Commander of the “star” craft Phoenix (you recognize it as the Bethlehem Star 2,000 years past), clearing this frequency. SALU!

[EJ: We can thank Mr. Mc Laughlin for finding this reminder at Page 6, Phoenix Journal #50, The Divine Plan, Vol. I and recognizing its importance at this time. Dharma scribed this for Commander Hatonn in May, 1992. There was additional information about the Philippines in the preceding Journal which we will add on. Quoting PJ #50:]

PHILIPPINES
SPOTLIGHTED

How many of you would believe that the Philippines, as currently located, hold the keys of transition and reformation as well as rebuilding of the remnant upon the beautiful Creation Shan? There are other portions in other places but central to the reclamation of this cycle of life-stream of you as a civilization and experience of God self upon that land-mass manifest—shall come to balance and focus within the wondrous places rising in the Sea of Peace, called Philippines.

Ah, yes, ye can take the ministers and touters, missionaries and gurus into the places of the Lions— BUT YOU CANNOT TAKE THE PLACES OF THE LIONS AND BIRD TRIBES FROM THE HEARTS OF THE PEOPLE!

As with all tarnished writings and histories under tampering, eventually the memory of the glorious civilization that once existed, faded entirely except in the awareness of the adepts who possessed the arcanum, and in the subconscious minds of former Atlanteans to be remembered through the ORAL traditions and legends of the passage of great sequences and cycles. The stories bore meaning even if the subject at present was seemingly pagan and ritualistic in behavior—nay, nay, the Truth would always be present for the ones come forth in the remembering in the time of service unto Creation/Creator.

[Excerpt from Phoenix Journal 49, *SILENT BLOOD SUCKERS OF THE TANGLED WEBS VOL. VI*, Pages 6 through page 16.]

A topic on the agenda of “barrage Hatonn” inquirers is regarding the Filipino elections due this week. I don’t know what you want or why you ask but the sham seems quite clear to me. In the Philippines rest the most incredible “dirty politics” games of all with buyoffs, buy-ups, poverty vs. wealth and corruption of any place on the globe—yet it remains one of the most IMPORTANT places on your globe.

What happened? Well, I don’t want to go back beyond the memory-span experience of you-the-people to cover more than the political intrigues of, say, Marcos, etc. To tell you the story of Lemuria, Atmospherians and such connections would not seem suitable herein—so let us look back a bit and perhaps “today” will become more obvious to you within the political arena. The whole scenario revolves around MASSIVE amounts of gold, stashes, stores and treasures, but it is the political scene that needs addressing right now.

A LOOK BACK AT THE PHILIPPINES

Among the thinning and wobbly ranks of America’s worldwide allies, Philippine then President Ferdinand E. Marcos, who ruled his nation with a firm hand for more than two decades, proved the single most steadfast, stable and sagacious supporter of that

nation’s strategic interests.

From 1965 through the end of 1985, Marcos maintained a productive, democratic order at home while he took the lead in structuring a regional system that skillfully reconciled the primacy of U.S. concerns with the need for peaceful solution of local conflicts. I do not “grade” the news nor have opinion of “goodness” or “badness”—I am just giving response as objectively as I can do so in brief space allowed.

It can be no wonder that, in early 1986, the Reagan Administration, known for its erratic policies and self-defeating foreign entanglements, decided to turn against Marcos. U.S. support was “decoupled” from the Philippine government and thrown to a rabble-rousing revolutionary movement fueled by an opportunistic alliance between left-radical and reactionary opponents of the aging president.

The American mass media joined in the attack on the embattled Asian leader. In what sounded like unanimous repudiation, news reports accused Marcos of having been a dictatorial and dishonest ruler who enriched himself while his people were burdened with debt and poverty.

The very unanimity of the anti-Marcos “Anvil Chorus” was bound to arouse the suspicions of anyone familiar with the propaganda practices of the U.S. Establishment press. What was the truth—the reality—behind the long, impressive rise and startling fall of Marcos?

Let us look at the circumstances and see if we can dissect some reasonable answers for what happened “then” bears still on what is going on or “coming down” now.

It has currently become public knowledge that the wealth of Marcos was his own and not that of the Philippines and yet the entire action was aimed at taking the wealth and pulling it within the assets of the Elite Global Conspirators. I can promise that whatever happens in the Philippines this day or any other—you will NEVER cease to have a focus in the Philippines. I can only suggest that ones who have purpose and intent of survival and actually doing good works for that tiny nation—get out, get out with security, and get assets working in good business ventures against the day when your services can bear fruit—which WILL COME TO PASS. Yes, indeed, we are sent to assist but there will be no violence, no interference—only evolvment of Higher Knowledge when the time is right.

Marcos was forcibly removed from office as President of the Philippines and it triggered a crisis that threatened to destabilize much of the Pacific and Southeast Asia. If the term “balance of power” is realistically used, it must mean some sort of equilibrium between the two superpowers (and don’t con yourself into the belief that the Soviets have ceased to be a major, major superpower). This is why, from the earliest moment, Marcos knew that the U.S. military presence and the opportunity for the projection of American naval and air power should be encouraged in the region.

One of the teachings of recent decades, since discovered by all the major powers but originated by the Soviet Union, is the impact of so-called exported war, more effective and cheaper by far than

a conventional declaration of hostilities. To monitor the approach of this new mode of warfare, you have to learn to be watchful about the signs, the indicators, of mounting insurgency, because those indicators signal the beginning of an “exported war established by, run by and continued by” Intelligence Operations utilizing local (or mercenary) forces and proxies.

This is what happened in the Philippines. The Philippines is the most strategically situated nation in its part of the world. It straddles what are referred to as “chokepoints” at sea and air. These are narrow passages connecting the Pacific, the South China Sea, the Indian Ocean and the Formosa Strait.

Given concessions, Vietnam granted the Soviet Union at Camranh Bay and Danang—bases from which the routes from the North Pacific to the South China Sea and the Indian Ocean can be blocked by the Soviet navy—there is now the geostrategic necessity, if only to maintain the normal flow of trade, that the Philippines remain free, and that the U.S. bases there—or rather the “facilities”, as they are called—be held safe and available for the deployment of American forces. Is it any wonder in your currently more insightful knowledge that the Pinatubo Volcano would be a man-made disaster which would damage both of these major “facilities”? Your war is just getting under way and it is a new type of Silent Weapons—Silent War type of action—here in the onset.

To protect that region it was necessary to curb and ultimately to eliminate the Communist-led indigenous insurgency in the Philippines. But the insurgency continued spreading and the Communist irregulars were increasing rapidly.

How could the Communists gain as rapidly as projected? It was known that in six months, Jan. through June of 1986, some seven thousand members were **added** to the already present 16,000 according to **official figures**—which always indicates incorrect counting—this time on the understatement side. They were gaining in numbers rapidly because of the admitted policy of the Corazon Aquino Administration to establish a partnership with the Communists. It was a strange partnership because the insurgents were not theoretical Marxists; they were opportunistic terrorists who adopted the Ho Chi Minh dimension of guerrilla warfare.

To Lenin’s tactics of urban revolution and Mao’s strategy of rural warfare Ho Chi Minh added the doctrine of terrorism against the chosen leaders of the constitutional government. Without bothering to understand or adopt any of the revolutionary ideals implicit in the early programs of Lenin and Mao, some of which, such as the demand for health services and political participation for the workers, had already been gradually assimilated into the democratic system, the Philippine insurgents had concentrated on a single dictum, attributed to Mao: “Political power comes from the barrel of a gun.”

What was the impact of this revolutionary strategy? The Philippine insurgents, known as the New People’s Army or NPA, were conducting a campaign of terrorist and scorched-earth tactics, which is harsh even by Communist standards. They abolished private property, the freedom to own anything, wherever they

set foot, and they destroyed the general atmosphere of representative government throughout the Philippines.

The constitutional and democratic safeguards maintained pretty well through the Marcos years in power were being abolished. What the American public was not being told was that the Constitution itself was abrogated by Mrs. Aquino when she and her allies seized power. Funny thing, when this happened in Peru the entire world wanted to go to war and your nation led the pack. All the procedures and rights embodied in the constitution were lost to the Philippine people. This was followed by the elimination of the representation of the people in the legislative assemblies; you could be elected to Congress or the Senate, but if the Aquino Administration didn't like your politics, it simply fired (fired) you, and abolishes your elective mandate.

The entire fabric of Philippine society became totally endangered by the turmoil along with public order and long-held "rights".

It is up for question as to which was more dangerous to society and national survival: the greed and looting by Mrs. Aquino's followers, or their violent push for dictatorial power.

There was the systematic plunder of all assets owned by former government figures or political leaders who were not supporters of Mrs. Aquino. But equally or even more menacing was the violent repression of what is called "the parliament of the streets"—the cherished right of the people to peaceful assembly for voicing their grievances and addressing them directly to their rulers.

This was always the accepted essence of democracy, and this the new regime had completely erased. Rallies were attacked and dispersed by armed government strong-arm squads, who were encouraged to be brutal. People were being beaten into submission by the thousands; women who participated in public demonstrations suffered degrading abuse and more than 200 protestors were killed right off at the start of the take-over.

The police were left no option but to collaborate in this atrocious repression by helping to conceal the cadavers of the victims who were killed for attempting to protest.

Mrs. Aquino's associates were projecting that her "revolution" would be stabilized by bringing the Communists into the government and forming a coalition regime with them.

Conditions were worse than most people ever realized; what you could consider imminent was actually already present in fact. The Communists were already in the Philippine government. Social scientists (gross contradiction of terms) estimated that 40 percent of the positions in the new Aquino Administration had been taken over by Communists or Communist sympathizers. Many of them were key offices. Here are just a few examples:

The National Intelligence Coordinating Agency, which directs and supervises all espionage and security operations, was now run by a "Mr. Yumul", who is a notorious collaborator of the Communists.

Agusto Sanchez, appointed by Mrs. Aquino as Minister of Labor, is an avowed, longtime Communist.

Mrs. Aquino's executive secretary, Joker Arroya, had never made much of a secret of his long-standing sympathy for the Communist cause.

Rene Saguisag, her official spokesman, once assumed leadership of regional revolt by the Communists and hoisted the Communist flag over Laguna province, declaring it Communist territory.

The minister of local government, Aquilino Pimentel, and the director of the Bureau of Customs, Raul Tanada, were also known as associates and supporters of the Communist Party.

These newly appointed officials, and a number of others like them, proclaimed themselves fanatical followers of Mrs. Aquino. But their long records of radical Marxist militancy contain no suggestion that they had ever severed or modified their hidden or public links to the Communist Party.

American newspapers and broadcast reports have a very wide audience in the Philippines but during the turmoil and riots there was almost NO reality about the Philippine national crisis finding its way into the mass media—and never has the truth been presented to this day.

Leading U.S. news organizations ran accounts that were totally biased, seldom having any factual foundation and were strangely repetitive and the reporters were required to follow not actual events but the direction of invisible chorus masters who told them what to think and write—all information was censored. Does this not seem identical to the non-news presentations of Bush's Elite war in the Gulf?

I can only offer you information—I cannot MAKE YOU SEE AND/OR HEAR. What appears to be—simply is not what IS. I can offer and hope that you awaken in time to salvage a remnant of viable humanity. If, however, you fail to remove the shrouds from truth—you shall perish in the lie.

CHAPTER 1

REC #2 HATONN

THU., APRIL 9, 1992 9:15 A.M. YEAR 5, DAY 237

THURSDAY, APRIL 9, 1992

RESPONSE TO "WHO ARE YOU?"

Who am I? What difference does it make if I bring you TRUTH? If I sort lies from Truth and uncover the secrets set to destroy you as nations and people—what difference does it make? If I were the Tooth Fairy and I bring Truth which allows you to see beyond the shroud of lies, does it matter? I will never give you ANYTHING which cannot be borne up in Truth by confirmation if you but look and find. Further, as a "journalist" and "record keeper" I know my resources and sources and I shall not divulge them for the benefit of their being set upon. I suggest that none of you confuse me with anything "mystical" or "out there somewhere"; I am neither. I am very "real", very "near" and there are many, many who come with me.

TRUTH OF "RULES"

You are a follower of, say, Zoroastrianism and therefore you cannot "believe" in my reality? Then I concern

over your understanding of Zoroaster. The same goes for Judaism, Brahmanism and thus and so. Christian? Oh, I see—but do you? Who and what is a Christ? Jesus? No, this being in point was born Esu Emmanuel and later called Jesus by one Saul of Tarsus aka Paul—in Greece after the passing on of Jesus. CHRIST is a state of being attained by most of the speakers of the Christ way of Truth unto and within the teachings of the Laws of God and the unchanging Laws of the Creation. We are simply come forth as the forerunner to that return unto your place of the Greater Teacher as you have awaited lo, these many eons.

What of the Laws? Let us consider the "similarities" of the different Masters for it is interesting for you, perhaps, to discover the many versions of that most basic natural Law of all rational human conduct, that Law referred to in the Western world as the "Golden Rule".

Major religions of the world teach this "rule" so let us look at it closely as to its various presentations.

Christianity: All things whatsoever ye would that men should do to you, do you even so to them: for His is the Law and the prophets.

Judaism: What is hateful to you, do not to your fellowmen. This is the entire Law; all the rest is commentary. See, no "eye for eye" or "tooth for tooth" written for and by MAN. Simply put: What is hateful to you, do not to your fellowmen.

Brahmanism: This is the sum of duty: Do naught unto other which would cause you pain if done to you.

Buddhism: Hurt not others in ways you would find hurtful.

Confucianism: Surely it is the maxim of loving-kindness: Do not unto others that you would not have them do unto you.

Taoism: Regard your neighbor's gain as your own gain, and your neighbor's loss as your own loss.

Zoroastrianism: That nature alone is good which refrains from doing unto another whatsoever is not good for itself.

Islam: No one of you is a believer until he desires for his brother that which he desires for himself.

Considering the fact that this Law has been known and understood by some for thousands of years, in the name of common sense why is this natural Law not being taught as such in every school and every grade, in every cult, church and temple—in every country of the world?

Why did I not include the aboriginal belief in the above listings? Because I listed "**religions**" of the world in major categories. The aboriginal presentation of the ancient wisdomkeepers had no "religion"—they WERE BROUGHT FORTH IN TRUTH BEFORE THE "RELIGIONS" WERE SET FORTH BY MAN. Ponder it for it may mean a great deal in your journey into Truth.

You are coming upon the season of Easter time. Check closely and HONESTLY as to exactly WHAT IT MEANS TO YOU! Is that perception of physical or spiritual? Check closely for if you said the crucifixion and blood spillage of Jesus—you have just separated a physical being from a Christ being for one is of

physical and the other only of SPIRITUAL.

If any thought came before “Spiritual infinite LIFE” then you had best get on with your studies. Blood is simply a physical substance which flows through physical body and has no spiritual existence at all. What else do you place between YOU and GOD? It is time to consider it most carefully.

BACK TO THE ILLUSION OF “IMPORTANT”

With the turmoil and collapse of the Japanese market and Banks just as I laid forth for you—I hope I have some new listeners at hand. In that hope fulfilled, I want to share some repetition but clarifications of that which I have been giving unto you.

You have only a couple of “shelters” left in your nation if you abide in the U.S. for the curtain of Executive Order through Emergency Regulations is going to be laid on you soon. Never mind elections for the Elite will not allow anything to stand in their way—especially nothing like democracy for and by the people. You must be learning to read the signs and clues instantly and you are a long way behind. I just encountered total lack of full understanding in my own crew.

I have told ones here to please watch news morning and evening and lo and behold, some of my own workers have recently unplugged the television sets so they wouldn't be upset by the violence and lies. I am continually annoyed and exasperated that my own immediate students and workers fail to hear my warnings and lessons. You do not “win” something by “withdrawing” and you do not “fight” something with bigger guns and get killed. You take responsibility and make changes in the midst of the rules and regulations given for your restrictions—go where they have set their shelters, those who would bind you. The point is not to get “dead” but to have a “remnant” survive to have a Constitutional foundation upon which to build when the Elite Conspirators devour themselves and enslave the multitudes and eliminate some 6 billion people. You do not stay alive by bringing great notice unto selves and brothers and you do not do it by ASSUMING you are not on the beast's listings. YOU ARE ON THE LIST AND HAVE BEEN SINCE BIRTH.

The Master Guide told you to live within the Laws of God and The Creation AND within the laws of the land. If the laws of the land do not break the Commandments of God or the Laws of Creation, then work within the laws of the land. Everything you need do can be done within the limits of legality. Remember that everything the government or military does to you is “legal” because they have the big gun—even if it be “unlawful” as to the Constitution. Taking up arms and “fighting” as in war will only get you killed by the thugs with the bigger guns. You MUST win through changing the minds of men. You can only do this through the realization of the TRUTH and uncovering of the LIES as thrust upon you. YOU MUST KNOW YOUR ENEMY AND HOW HE WORKS AND HOW YOU HAVE COME TO BE IN THIS PLIGHT OF HELPLESSNESS. IN KNOWING IS THE POWER TO RECLAIM AND REDEEM—ONLY THROUGH KNOWING TRUTH CAN YOU FIND FREEDOM AGAIN UPON YOUR PLACE IN HUMAN EXPERIENCE.

[EJ: In all of the more than 50,000 pages of Phoenix Journal material we have been given by Commander Hatonn, it is my opinion that none is more important to know and understand than the PROTOCOLS OF THE ELDERS OF ZION first revealed outside the Illuminati and Ashkenazi Zionists around the year 1900. In 1998 before we moved from Tehachapi to the Philippines He re-presented the PROTOCOLS with more detailed comment as an 8-book set comprised of 2 sets of 4 books in each set. The first set is called BIRTHING THE PHOENIX 1-4 and the second is called RISE AND FALL OF ANTICHRIST 1-4. Most of the material was published in CONTACT along with other current, at that time, material, some of which we will delete from this presentation which we expect to be presented as a continuing series in CONTACT for the next few months.]

BIRTHING THE PHOENIX

It is a bit difficult to decide what will attract rather than repel your attention. We will be moving right in to the *RISE AND FALL OF ANTICHRIST* but preliminaries have to be attended and “*life goes right on while we make other plans*”.

This morning Dharma was met with a note left last evening on her chair.

She has now used up over an hour of precious writing time trying to find an answer to: “Since this is so special a series, would GCH like to do the introduction?” And for her that means checking with me and being able to find whatever I might choose to use if I do give another a break and do it myself.

What the searching did was to produce stacks of books stating facts about our topics. These will be handy when we need backup as we move on rapidly through summarizing your status.

Now, this is not a difficult answer for me, but for a weary Nubby Fingers, it has totally broken the thought patterns of one who didn't even know we had finished “a” book, and much the less, two, since starting this particularly related information.

She decided to, after she couldn't locate the book I requested about “If you want something done, do it yourself”—for I wanted her to respond as we will now go about this question. I want HER to input some perceptions and we can call it an “Introduction” for lack of better terminology. “Foreword”? Does it matter? Are we always trapped by the habits we present? Anyone could do either far better than we because having recently worked with the material probably any editor or reader could better summarize the contents. However, I want Dharma to offer her input, for you see, the view is far different from this side of the keyboard even if the keyboard has faceless keys.

DHARMA'S PERCEPTION:

My perception is that I “don't want to do this, Sir!”

But then on second thought, perhaps I won't embellish or deny as an independent reader might.

We (lately there are several other writers) have written over 200 volumes (books, journals) since mid-1989. So much information has passed my brain, and now again passes it, that I can't do other than see TRUTH plastered all over.

We have gone from South Africa to Australia, Russia to Mexico, and criss-crossed the world a dozen times and even moved into the cosmos. How could “I” know anything? Well, I do know a lot, but the ONE THING I KNOW FOR SURE: we are getting valid, insightful information. I also observe that the information is backed up, confirmed, and reconfirmed by presentation of PROOF ON THIS GLOBE. That seems to be what we are about: gathering information and sharing it without force, without coercion, without fear (sometimes a little fear) but with a lot of TERROR.

Not only is the information terrorizing, but the assaults on us are brutal, debilitating, and certainly thoroughly check out who we are and what we are about!

I am just now remembering that I DID volunteer to serve in this manner and I laugh at my own childish recognition. I said to God: “THY WILL.” I think I may have followed that with: “...but, don't call me; I'll call you.” I have met person after person who is GOING TO FIX IT ALL, “my way”, you know, like Sinatra. No, God says, “We will do it My way, for ‘God too has a Plan 2000’.” Wow, then I found myself entangled in a decade of a ride in the “fast” lane with a handful of more dedicated truthbringers than myself.

Now, as I deal with the topics of Antichrist's Plan 2000 New World Order and the countdown is at hand for the closing of at least “an act” of this play, I am both weary, disheartened, and, feeling somewhat hopeless about most matters coming to so boldly confront us as humans. Then, I remember that we did this before and this time the only difference, surely, is to make sure it ends differently than back to the dark ages of humanity.

A friend sent a card yesterday and offered to elope to an island in paradise and we could just watch the tsunamis roll in. Sounds good to me, if we can ever swim out of THIS ONE.

I wanted to believe everything told to me by teachers, icons of important or famous people, preachers, anyone, actually, who came along the way touting “we will make it better”, “we will lead; you sacrifice and follow”, and certainly I wanted a Jesus Christ in a stable and I wanted the world to move perfectly toward happiness-ever-after in this fairy tale gone the way it is rather than according to make-believe.

I find the Antichrist to be so much better at witchery, cunning, shrewdness and lewdness that I am overcome with sorrow that it took so long to see and hear and, finally, know.

God doesn't give revelation non-relative to the moment—the moment is all we have, you and I. The past is gone and the future is only a thought. It has all been much like the baby giving up its blanket and bottle. I don't want to give up my blanket or my bottle.

But, I found something REAL and totally WITHIN REALITY—THE TRUTH. I could then toss my

blanket or use it for a pretty good sail to allow curiosity to keep the Dorrie (my actual name) moving, and I could get the garbage out of my bottle and get my fuel from something far greater than I had imagined could be. When you KNOW how things ARE, the illusions don't do more than annoy you. I don't need man-made things which fabricate and often deliberately lie to get the better of me. I don't need a baby in the straw in Bethlehem or a prophet in the midst of turmoil—I have GOD in GOODNESS, which is Creator, and therefore I shall be created ever more perfectly as this goes on and the lies are peeled away like those onion skins always covering everything in this physical trap.

Everything is connected and CANNOT be separated, so trying to “run away, run away” doesn't cut the mustard, for you just run into yourself and “it” somewhere else—wherever the mind goes.

My KNOWING understands God and the projected *thought of God*. I am created by the THOUGHT OF GOD and therefore HE IS connected to my creation BY MY THOUGHT OF GOD. I choose to keep HIM very, very close while we walk through the final act of THIS play. Somebody has to be watching over and protecting us—for we are still here when the Antichrist's teams have been assaulting and actually trying to kill us for a decade now. THAT is good enough for me.

God never promised rose gardens or anything else—save LOVE without judging, TRUTH without bending, and LIFE without ending! Now, if that isn't a promise worth hearing, I haven't heard all the other excuses or promises. He offered me Christ—within my being and not remotely isolated in some forgotten, or fabricated, stable a world away in distance and thought. HE said I had to be **responsible** for every action and thought I have, and HE warned me that I could not take another, murder him/her, and then claim salvation by copping-out on the spilled blood.

This physical world is the territory of experiencing manifest beings in the schoolroom of soul development. The old Antichrist, this time called Lucifer, is the King of the slave-masters. However, this jerk has no “pull” once you move outside the lies and into the Truth of infinity and out of the limitation of lies.

What image then, do I have of God/Christ/Creator? I realize that I can only have within myself that reflection that holds Truth and LISTEN. Actually, it isn't even “just listen”—it is to HEAR and ACT in **KNOWING**. I have easily come to accept as people make every effort to “use” whatever they perceive “you have” vs. what they think they “don't have” and trouble comes. If I hear two stories from a person and they differ—one is a lie. That goes for what George Green taught me, that if you tell five or ten different tales—they are probably ALL lies. Truth needs but one telling, one version, just as reasonable reason vs. excuses piled one upon another. I can go into a courtroom today or ten years from now and Truth will be the same with perhaps a few missing elements because of forgetfulness. George can't go into ANYWHERE and tell the same tale twice in a row in the same day.

So, how can I begin to believe that what we present is Truth? It never varies, only in the presentation of the SAME INFORMATION.

I KNOW that we have slept right through the new

millennium and never gave a thought to the fact the calendars were incorrect—but Plan 2000 writers knew and had built it into the screenplay. The Antichrist only has to wrap up his puppets and march everyone off the cliff and into the sea.

How can I prove that this “assumption” is correct? LOOK AT OUR OWN HEADING—”YEAR 11”! (!!!!) We are in day 161 of YEAR 11. The ancient calendars ENDED on August 17, 1987. So Antichrist has been in rule for over a decade and yes, GOD SAID IT WOULD BE THAT WAY.

This puts us into the time of the Photon Belt, the “second” Sun—not the “second” coming, and slap-dab into having to face TRUTH. God always seems to ring that alarm clock one more time—IF THERE IS ENOUGH TIME. GOD WINS EITHER WAY BUT WE SURELY CAN HAVE A MISERABLE GO OF IT IN THE IGNORANCE OR REFUSAL TO LEARN.

Can I learn from my experience? Yes. Can you learn from my experience? I suppose—but that is none of my business.

Well, I did not understand when I was told, quite bluntly, that God too had a Plan 2000. I thought, “Fine, we have 10 years and perhaps more.” Oops! When we started 8 years ago (1989), how did I know the calendars and the birth of the Christ were already off by at least 8 years? So, it has had to be a very hard 8 years of work watching the unfolding of GOD'S PLAN 2000. Truth is God's plan and God WINS, so what else is new this morning?

Am I somehow psychic or a prophet? No, I'm not and although sometimes I am given to SEE, I don't even put two and two together that if my nose is running and I have fever instead of hay-fever that I might be getting a cold. It simply DOES NOT MATTER.

YOU DO NOT HAVE TO BE PSYCHIC OR A PROPHET TO READ THE FUTURE—THE OUTLINES ARE DRAWN FOR YOU, EVEN TO THE PLAN IN THE WORKS TO DESTROY US AND OUR SOCIETY, OUR BELIEFS, OUR PROPERTY AND LEAVE US NAKED OR DEAD AS THE WHIMMAY STRIKE THE ANTICHRIST. BUT HE CAN'T TOUCH ME FOR I AM A PART OF GOD CREATOR'S PLAN AND SO TOO ARE YOU!

Truth is all we can have and hold, and the PROMISE OF GOD, AS PROJECTED EVEN BY THE

ANTICHRIST, IS THAT TRUTH WOULD BE BROUGHT FORTH IN THE WORD AND THE WORD WOULD BE MADE MANIFEST—TO THE FOUR CORNERS OF THE WORLD.

I certainly have no corner on THAT market. Nor do I have a corner on GOD or the Messengers, the Hosts, the Teachers, the whatever, and most especially I have no selective information other than what YOU have, on Antichrist. I just happen to have LEARNED who it is and what is going on. But I only know what YOU KNOW if you read what we are given as input. But I am NOT going on some ridiculous Rapture structured to keep me from being RESPONSIBLE. By the way, TRUTH is much more exciting than is the lie. The end result of the LIE is slavery; the end of the TRUTH is freedom. I simply made a choice. I remembered my connections with infinite GOD and CREATION, and once I remembered the weaknesses of man-human the choice was easy. Everything of man is suspect—that which is of God becomes visible in the clarity of Truth. The differences are as obvious as the politician who never keeps his promises and God WHO ALWAYS keeps HIS promises. Once you have lived through BOTH you become very discerning, and finally just move right on into KNOWING.

If you fail to seek and find Truth, friends, there is NO WAY to reach the perfection of God and LIFE. God asks not for perfection; He expects only respect and living within His laws in freedom of choice because it is the RIGHT way to live. But, I have no right to judge your choices, only your actions, and from what I see of actions, it is a really bad mess on this place. Can I fix it? I wouldn't care to even make the effort for that is not my task. If I “fix me” that is sufficient, and if each other “fixes” self, we don't have much to worry about do we? I can do my job and we can offer the FACTS but each individual entity will have to consider self. If we make our actions coincide with TRUTH and God's Plan, then of course, there is no doubt it will be changed and it must be changed for the “better way”. POSSIBILITIES are ENDLESS as are ALTERNATIVES.

We must become shrewd also and use those things manufactured for the use of the Antichrist as to reasonable sheltering laws of the land, etc. We simply never move outside the laws of THAT LAND, nor do we distract for a moment from the Laws of GOD, and therein lies the KNOWING that there can be abundant change. The Antichrist lays down his laws and keeps them secret so that YOU can't know of them. Once revealed it becomes as easy, for example in business, as incorporating in the State of Nevada.

We don't “fight” anyone; we do not have to. We create with use of all that is presented for our use (which is everything there is) and can accomplish anything we wish. GOD and HOSTS will show us the way—THEY WILL NOT DO IT FOR US.

I ask that as you read these seemingly controversial things that you open your reasoning mind and see what IS. And then, look please, at why this TRUTH bothers you for you will KNOW IT IS CORRECT if you don't toss it in the trash-heap (which only proves you know it already).

Thank you for an opportunity to observe and clarify some of my own thoughts, for I find this information

no more comforting than anyone of you and perhaps I find it worse; after all I KNOW it is TRUTH and that is often a most lonely place to be.

I do not have to originate TRUTH—I only have to KNOW the ones who brought Truth and risked and paid with their very lives. I am only a secretary.

Thank you,

Dharma

WED., JAN. 7, 1998

HOW DO WE COME TO BE WHERE WE ARE?

We arrive at where we ARE through all of the experiences attended and unattended along the way to HERE.

As more and greater talk is afoot about closing bases in the U.S. and mass-destruction weapons being at point of all encounters, it must seem quite curious to you that you have so few troops in the U.S. while you have massive numbers abroad in all the hot spots readied for takeover.

In a sophisticated world where the planners have laid forth major reversal of all ideology by year 2000, how much time do you think it requires to accomplish a goal in a blind, deaf and mute society? Just note that all a president has to do is take his family, and often just the family dog, to wag his (both) tail and waddle about with tears and sympathy while he sets those ducks up for the

kill and one more “Christmas” away from the home fires of family cementing. In other words, a politician with bad morals replaces Mother, that wondrous birth-giver of the rocking cradle.

Often I like to shock you sleeping giants by offering something so old as to boggle your perceptions which somehow the whole of the nation and the world has delightfully overlooked as even existing. Or, the topic is so vague and unnoted that you believe that things are just being developed and renewed before your eyes at the timing of the clock on any announcement day.

Now remember SOMETHING VERY IMPORTANT: as I write and you read, THIS INFORMATION IS FOR PUBLIC CONSUMPTION right out of your Bureau of Public Affairs, Department of State Publication #7277, *Disarmament Series 5*; and do note: SERIES 5 was released in **1961**.

At that time you could get this for sale by the Superintendent of Documents, U.S. Government Printing Office, Washington 25, D.C. And note how handy for acquiring—not even a zip-code. There is, however, a code number for the document itself that is so small in print as to have to get out a reading magnifier to read it. It reads: “U.S. GOVERNMENT PRINTING OFFICE: 1961, 0—609147”.

ANOTHER IMPORTANT OBSERVATION: THE PAMPHLET COMES IN THE FLAG/TURBAN COLORS OF THE U. N. AND ISRAEL; BLUE AND WHITE WITH THE COVER BEARING THE EAGLE AND THE ILLUMINATI SYMBOLIC WORDS: “IT IS DONE” OR “IN UNITY COMPLETED (OR ACCOMPLISHED)”.

I would ask each of you to consider this question as you read: “Where was I sleeping all this while?”

FREEDOM FROM WAR

THE UNITED STATES PROGRAM FOR GENERAL AND COMPLETE DISARMAMENT IN A PEACEFUL WORLD

INTRODUCTION

The revolutionary development of modern weapons within a world divided by serious ideological differences has produced a crisis in human history. In order to overcome the danger of nuclear war now confronting mankind, the United States has introduced at the **Sixteenth General Assembly of the United Nations a Program for General and Complete Disarmament in a Peaceful World.** [H: That one sentence should curdle what blood you might have remaining to circulate.]

This new program provides for the progressive reduction of the war-making capabilities of nations and the simultaneous strengthening of international institutions to settle disputes and maintain the peace. It sets forth a series of comprehensive measures which can and should be taken in order to bring about a world in which there will be freedom from war and security for all states. It is based on three principles deemed essential to the achievement of practical progress in the disarmament field:

FIRST, THERE MUST BE IMMEDIATE DISARMAMENT ACTION:

A strenuous and uninterrupted effort must be made toward the goal of general and complete disarmament; at the same time, it is important that specific measures be put into effect as soon as possible.

SECOND, ALL DISARMAMENT OBLIGATIONS MUST BE SUBJECT TO EFFECTIVE INTERNATIONAL CONTROLS:

The control organization must have the manpower, facilities, and effectiveness to assure that limitations or reductions take place as agreed. It must also be able to certify to all states that retained forces and armaments do not exceed those permitted at any stage of the disarmament process.

THIRD, ADEQUATE PEACE-KEEPING MACHINERY MUST BE ESTABLISHED:

There is an inseparable relationship between the scaling down of national armaments on the one hand and the building up of international peace-keeping machinery and institutions on the other. Nations are unlikely to shed their means of self-protection in the absence of alternative ways to safeguard their legitimate interests. This can only be achieved through the progressive strengthening of international institutions under the United Nations and by creating a United Nations Peace Force to enforce the peace as the disarmament process proceeds.

There follows a summary of the principal provisions of the United States *Program for General and Complete Disarmament in a Peaceful World*. The full text of the program is contained in an appendix to this pamphlet.

FREEDOM FROM WAR

THE UNITED STATES PROGRAM FOR GENERAL AND COMPLETE DISARMAMENT IN A PEACEFUL WORLD

SUMMARY:

DISARMAMENT GOAL AND OBJECTIVES

The over-all goal of the United States is a free, secure, and peaceful world of independent states adhering to common standards of justice and international conduct and subjecting the use of force to the rule of law; a world which achieved general and complete disarmament under effective international control; and a world in which adjustment to change takes place in accordance with the principles of the United Nations.

In order to make possible the achievement of that goal, the program sets forth the following specific objectives toward which nations should direct their efforts:

- * The disbanding of all national armed forces and the prohibition of their reestablishment in any form whatsoever other than those required to ‘preserve internal order’ and for contributions to a United Nations Peace Force;
- * The elimination from national arsenals of all armaments, including all weapons of mass destruction and the means for their delivery, other than those required for a United Nations Peace Force and for maintaining internal order;
- * The institution of effective means for the enforcement of international agreements,

for the settlement of disputes, and for the maintenance of peace in accordance with the principles of the United Nations;

- * The establishment and effective operation of an International Disarmament Organization within the framework of the United Nations to insure compliance in all times with all disarmament obligations.

[H: Are any of you yet in shock? Are you saying “Well, this is just what the U.S. is trying to accomplish in Iraq?” Oh, and what of all that stash of anthrax in Indiana, just re-discovered, that is sufficient to wipe out the entire world? And where did Iraq get their complained-of anthrax and other weapons stashes? Right directly from the good old U.S.A. There are dozens of ways to totally wipe out the entire world population just waiting in at least a dozen different countries around your globe. Serious? Well, that depends on how short you want your stay on this planet to be.]

TASK OF NEGOTIATING STATES

The negotiating states are called upon to develop the program into a detailed plan for general and complete disarmament and to continue their efforts without interruption until the whole program has been achieved. To this end, they are to seek the widest possible area of agreement at the earliest possible date. At the same time and without prejudice to progress on the disarmament program, they are to seek agreement on those immediate measures that would contribute to the common security of nations and that could facilitate and form part of the total program.

GOVERNING PRINCIPLES

The program sets forth a series of general principles to guide the negotiating states in their work. These make clear that:

- * As states relinquish their arms, the United Nations must be progressively strengthened in order to improve its capacity to assure international security and the peaceful settlement of disputes;
- * Disarmament must proceed as rapidly as possible, until it is completed, in stages containing balanced, phased, and safeguarded measures;
- * Each measure and stage should be carried out in an agreed period of time, with transition from one stage to the next to take place as soon as all measures in the preceding stage have been carried out and verified and as soon as necessary arrangements for verification of the next stage have been made;
- * Inspection and verification must establish both that nations carry out scheduled limitations on reductions and that they do not retain armed forces and armaments in excess of those permitted at any stage of the disarmament process; and
- * Disarmament must take place in a manner that will not affect adversely the security of any state.

DISARMAMENT STAGES

The program provides for progressive disarmament steps to take place in three stages and for the simultaneous strengthening or international institutions.

FIRST STAGE

The first stage contains measures which would significantly reduce the capabilities of nations to wage aggressive war. Implementation of this stage would mean that:

- * The nuclear threat would be reduced:
All states would have adhered to a treaty effectively prohibiting the testing of nuclear weapons.
The production of fissionable materials for use in weapons would be stopped and quantities of such materials from past production would be converted to non-weapons uses.
States owning nuclear weapons would not relinquish control of such weapons to any nation not owning them and would not transmit to any such nation information or material necessary for their manufacture.
States not owning nuclear weapons would not manufacture them or attempt to obtain control of such weapons belonging to other states.
A Commission of Experts would be established to report on the feasibility and means for the verified reduction and eventual elimination of nuclear weapons stockpiles.

[H: My goodness, has ANYTHING worked? I am reminded of Lenin (Communist Jew) of the Soviets: “We shall take the United States without firing a shot. They (the U.S.) will even supply the rope with which to hang themselves.” Seems that one worked!]

- * Strategic delivery vehicles would be reduced:
Strategic nuclear weapons delivery vehicles of specified categories and weapons designed to counter such vehicles would be reduced to agreed levels by equitable and balanced steps; their production would be discontinued or limited; their testing would be limited or halted.
- * Arms and armed forces would be reduced:
The armed forces of the United States and the Soviet Union would be limited to 2.1 million men each (with appropriate levels not exceeding that amount for other militarily significant states); levels of armaments would be correspondingly reduced and their production would be limited.
An Experts Commission would be established to examine and report on the feasibility and means of accomplishing verifiable reduction and eventual elimination of all chemical, biological and radiological weapons.
- * Peaceful use of outer space would be promoted:
The placing in orbit or stationing in outer space of weapons capable of producing mass

destruction would be prohibited.

States would give advance notification of space vehicle and missile launchings.

- * U.N. peace-keeping powers would be strengthened:
Measures would be taken to develop and strengthen United Nations arrangements for arbitration, for the development of international law, and for the establishment in Stage I of a permanent U.N. Peace Force.
- [H: Note that you are being told, here, how it will be in an enslaved environment which is already structured with the Elite rulers not following ANY restriction but reducing your ability to defend selves to zero. And when the time is right all weapons will be removed from the population and if you want to fight—fine, do as they do in other primitive countries—toss rocks at each other—but no one shall toss anything at the Beast Elite. Count on it!]**

- * An International Disarmament Organization would be established “for effective verification of the disarmament program”:

Its function would be expanded progressively as disarmament proceeds.

It would certify to all states that agreed reductions have taken place and that retained forces and armaments do not exceed permitted levels.

It would determine the transition from one stage to the next.

- * States would be committed to other measures to reduce international tension and to protect against the chance of war by accident, miscalculation, or surprise attack:

States would be committed to refrain from the threat or use of any type of armed force contrary to the principles of the U.N. Charter and to refrain from indirect aggression and subversion against any country.

A U.N. PEACE OBSERVATION group would be available to investigate any situation which might constitute a threat to or breach of the peace.

States would be committed to give advance notice of major military movements which might cause alarm; observation posts would be established to report on concentrations and movements of military forces.

SECOND STAGE

The second stage contains a series of measures which would bring within sight a world in which there would be freedom from war. Implementation of all measures in the second stage would mean:

- * Further substantial reductions in the armed forces, armaments, and military establishments of states, including strategic nuclear weapons delivery vehicles and countering weapons;
- * Further development of methods for the peaceful settlement of disputes under the United Nations;

- * Establishment of a permanent international peace force within the United Nations.
- * Depending on the findings of an Experts Commission, a halt in the production of chemical, bacteriological, and radiological weapons and a reduction of existing stocks or their conversion to peaceful uses;
- * On the basis of findings of an Experts Commission, a reduction of stocks of nuclear weapons;
- * The dismantling or the conversion to peaceful uses of certain military bases and facilities wherever located; and **[H: Wow, and what about the legality of letting China have your Long Beach, California harbor base and points inland? Come now, readers—they have stayed to the very letter of this LAW while you slept on like old Rip Van Winkie.]**
- * The strengthening and enlargement of the International Disarmament Organization to enable it to verify the steps taken in Stage II and to determine the transition to Stage III.

THIRD STAGE

During the third stage of the program, the states of the world, building on the experience and confidence gained in successfully implementing the measures of the first two stages, would take final steps toward the goal of a world in which:

- * States would retain only those forces, non-nuclear armaments, and establishments required for the purpose of maintaining internal order; they would also support and provide agreed manpower for a U.N. Peace Force.
- * The U.N. Peace Force, equipped with agreed types and quantities of armaments, would be fully functioning.
- * The manufacture of armaments would be prohibited except for those of agreed types and quantities to be used by the U.N. Peace Force and those required to maintain internal order. All other armaments would be destroyed or converted to peaceful purposes.
- * The peace-keeping capabilities of the United Nations would be sufficiently strong and the obligations of all states under such arrangements sufficiently far reaching as to assure peace and the just settlement of differences in a disarmed world.

[H: Can you yet see what took place in Iraq? If not, I will refresh your memories. Mr. George Bush of CIA, United Nations, and then Vice President and Presidential KING, did make wondrous arrangements with the peoples of the Middle East, such as Saddam Hussein, even to supplying, through the U.S. Dept. of Agriculture, arms and other terrible things to outfit military bandits throughout the world. In the process the coalition was so close that Saddam and George HAD JOINT BANK ACCOUNTS in such as BCCI and BNL to the tune of some \$250 million dollars.

The point, of course, was to draw such as Saddam

into the net, betray him, and then take all he has and reduce the people of the country to total inability to survive. Your world actually holds on through what may appear to you to be the obstinate rejection of the Arabs for both the Israelis and the King's plan laid forth in New York for their total annihilation. Too much to swallow? Well, go face East and see what enters your brain, children of the LIES.]

NOW, PAY ATTENTION

TO MAKE SURE YOU DO NOT MISUNDERSTAND THIS WRITING I WILL REPEAT THE TITLE AND DIRECTIVE:

FREEDOM FROM WAR: **THE UNITED STATES PROGRAM FOR GENERAL AND COMPLETE DISARMAMENT IN A PEACEFUL WORLD.**

THIS DOCUMENT COMES DIRECTLY FROM THE UNITED STATES DEPARTMENT OF STATE.

THE UNITED STATES INTRODUCED THIS DOCUMENT TO THE GENERAL ASSEMBLY OF THE UNITED NATIONS.

THE OBJECTIVE HAS BEEN ACHIEVED, EVEN IF YOU DON'T SEE IT!

YOU, AS A WORLD, ARE BALANCED ON THE BRINK OF TOTAL DEVASTATION AND CONFRONTATION THROUGH WAR OF MASSIVE SCALE.

BUT WHY DIDN'T YOU TELL US?

I DID. This is where the wickets really get sticky, little friends. We printed THIS DOCUMENT nearly 8 years ago—at least TWICE. Once, the clever interveners totally removed the information from the manuscript prior to printing.

Three volumes of *Phoenix Journals* were totally banned for re-sale and confiscated at foreign borders, namely **CANADA** as the one we could watch.

When we offered it again the whole series of books which *MIGHT* contain this information and comments—were confiscated and Dharma dragged off to Federal Court on charges of plagiarism. Out of hundreds of pages of information the claim covered some few pages of a topic on “Light”. Four books of that series are forever banned, and just to make sure there is no information of value to you-the-people about your upcoming enslavement and annihilation, nine volumes were pulled and placed under regulation and simply taken and burned.

I think it will become clear to you who couldn't understand the risk Green was taking of lying under oath, and finally even coming up with the “destroying” of court-controlled property. This information was not to get to the public even though the material is a fully Congressionally-sanctioned document of the U.S. State Department.

WHY DO WE DARE PRINT IT AGAIN, NOW?

Because your puppet-masters want you to realize you are captured and Pac-Man has about digested whatever remains of your carcasses. The further hopes are that you-the-people will now do something really stupid like bomb out the government with your totally limited and worthless Patriot groups with no idea of what in the

world is actually happening or already has happened.

What do I suggest you do? No thank you on that one, readers, for I have no input to what you are going to do!

We are going to keep our agreements with the Big Bad Wolves and try to recover from ten years of incredible bombardment against my secretary and our team. I remind all of you that we have at or around 200 volumes, the last 90 or so not allowed printing or publishing. But, we will get around to that as time flows on past. We are NOT in the business of battle field or court, lyings and cheatings. So, we will do what we can, offer information when it won't cost the very life of my typist, and hope our remnant will include YOU. Only you know whether or not you have served in such a way as to enhance, or destroy, through your silly assumptions, gossip and self-interests, your chances to be included in that goodly company.

But you were “fooled”? Of course, what else would you expect of the PRINCE OF DECEIT AND FOOLERY and SATAN'S CREW?

Worst of all, you do these things in THE NAME OF GOD while you proclaim humanitarian, human rights, and totally march to the drum-beat of the Adversary par excellence!

Many of you who claimed to be “with us” but even stopped reading the writings—woe unto you for you are now faced with THIS writing and having to realize we would NOT be offering it unless the impasse is at hand and the world swings on a silk thread already frayed.

When you take up your prayers this night to ask for your favorite ice cream, girlfriend, boyfriend, money or whatever you want—why don't you spend just a moment asking for God to forgive your ignorance and refusal to see and hear. Try on responsibility for self and those you have neglected in your search for “self”-gratification and gamesmanship. Things such as adultery, friends, are no more acceptable TODAY than in the thousands of years God has told you NOT TO DO IT. Now, your children shall pay the price of your sins and your ignorance. Moreover, most of you will cop-out on them even before the hit fits the shan, and already have, because something else or someone else “*makes you feel better*”. Well, each makes his/her own choices, but the innocents remain the beggars in a world without conscience.

Why let the neighbor, the club-member, the psychiatrist, whoever, tell you otherwise, FOR YOU KNOW BETTER! YOU ALSO KNOW THAT THOSE INDISCREET ACTIVITIES WILL NOW COME TO EAT YOU ALIVE. You lie to selves and therefore it is obvious you are already BECOME people of the LIE.

Take my hand, little one; perhaps we are all just *Strangers in Paradise* and we tire from the swimming upstream in this wild and uncontrolled river-flow of pollution and disaster. Perhaps it is just El Nino and we will awaken to find it all better? No we will not—for if it is ever better—WE MUST MAKE IT BETTER and this morning we have no strength or heart left to do more than just look at—maybe tomorrow? Will there be a tomorrow? So be it.

To my team: STAY ON TOP OF OUR CONTACTS AND OUR WORK; IT WILL BE DIFFICULT TO

GET THROUGH TO OTHER PLACES VERY SOON NOW. WE ARE MEETING OUR OBLIGATIONS AND AGREEMENTS SO THAT SOME THINGS WILL LESSEN IN PRESSURES, BUT OTHERS WILL INCREASE AND BE OF A DIFFERENT KIND OF INPUT. YES, WE ARE UP TO THE CHALLENGES OF BOTH OR EITHER.

Dharma, get out of this place or go to bed—or BOTH. We have just sent you back to the dark ages as to your health. We will make it, friend, so let us not push the river. Salu.

I must also REMIND YOU: This is only ONE TINY, TINY BIT OF THE PLAN NOW CLOSING IN SUCCESS. I GUESS, YES, YOU COULD SAY THAT YOU ARE DEAD AND MUCH LIKE NEWLY DEPARTED SPIRITS IN THE ASTRALWORLD—YOU DON'T EVEN KNOW IT.

[EJ: We will forego the 8-page APPENDIX since it duplicates much of the above material. If our plan does not go awry we should get into the PROTOCOLS OF THE ELDERS OF ZION in the next issue.]

Can 1% Stop The Global Criminal Syndicate?

CAN A REAL GLOBALISM BASED ON TRUTH AND HONOR SAVE THE WORLD?

By Gordon Duff
May 16, 2010

I was asked during an interview on Al Jazeera the question that every Muslim lives with every day, “How can a small country like Israel control America?” My answer was simple. Imagine a friend comes to you screaming, “Someone stole my house!” You ask him what happened. His response; “I put my house up for sale, I asked \$200,000 dollars. A man came to the door and said he wanted my house. He gave me \$200,000 bucks and now I have no home.”

Israel doesn't buy influence and control in America; we sold it to them. The price tags were there, had been there forever. **[EJ: With such a pale beginning most of us would quit reading but it gets better farther along.]** Anyway, there isn't such a thing as Israel. Yes, it is a country, like America but we don't exist either, not really, we never did. Our Civil War proved this. A country is like a company with a flag, a company that doesn't have to pay its workers, can even jail or kill them if it wants to. Real countries today are owned by stockholders, we call them banks, who hire managers who work for them.

We call this “government”.

This should explain why the two American political parties act the way they do. They really don't exist. American history classes are filled with fun days and boring days. During the boring days, the teacher talks about monetary policies and banking. In 1791, Alexander Hamilton set up the Central Bank of the United States. It was controlled by England, our enemy, at least on the surface, but was run by the Rothschilds. Jefferson saw that such a bank would turn America into a criminal empire. Jefferson favored “democracy” and Hamilton favored “conservatism” as

expressed in “Federalism”.

There is a clear difference between these two. Federalism has always been based on elimination of personal liberties. A Federalist nation is a dictatorship of the wealthy where individual enterprise is squashed by syndicates and monopolies tied to the banks and the foreign owners of the banking system. Theoretically, a Federalist or Conservative (Democracy?) government is one under foreign control through a central bank that funds a series of syndicates or monopolies that rule through government. **[EJ: When widely understood that sentence could be the most important one ever written. (The truth shall set you free!) We have read that there are only 5 non-Rothschild owned/controlled Central Banks left in the World.]**

The idea of political parties and the Constitutional oddity of the “electoral college” and a Supreme Court that could overrule laws wanted by the people was how this foreign rule was to be implemented. The “rubber stamp” for this system was the Senate, a group chosen, not elected, until well into the 20th century. With vote restricted to larger land owners and successful merchants and political parties managed by the banks through control of capital, government had only one duty, protecting the owners and securing a ruling class.

During that same class that we all slept through, someone mentioned a Second Bank started in 1811. President Andrew Jackson hated this bank because he believed as so many do now, that “debt based currency” which we know as, well, what we carry in our pockets, is nothing but a game that encourages economic manipulation and crashes that end up putting all wealth in the hands of speculators. You know what they are, Goldman Sachs/Wall Street types. Jackson took all government money out of the bank, fired two Secretaries of the Treasury to do it and fought back while our British and Rothschild masters tried to economically crush America in retaliation.

These are the reasons Presidents like Jefferson and Jackson were great men, reasons we don't teach anymore. Even then, America was duped, milked for all it was worth by foreign groups that found the price tag that so many of our “better classes” were born with. If you wanted to find where they teach Americans to sell out, look to Harvard and Yale.

The final nail in America's coffin was the establishment of the Federal Reserve in 1913 by Woodrow Wilson. The history books fail us totally when explaining “national banks” and “state banks” and money for planting season. We slip into a century of ignorance ending with today's America with half the taxes we collect going to pay interest on money that never existed in the first place and all but 3% of the population ending up with nothing at all. 80% of the “Reagan millionaires” still around have a negative net worth. 40% of American home owners owe more than their homes are worth and wages and our standard of living have plummeted since 2000.

What have we become? We have spent ourselves into a century of poverty developing weapons and fighting wars for multi-national corporations, bankster thieves and massive international drug cartels that control the governments of every “free country” on earth from England to Israel to India to Germany and, especially, the United States of America. **[EJ: Much as I hate to**

admit it, Mr. Duff is right.]

CRIMINAL STATES

Stealing a term from Jeff Gates, the systematic manipulation and control of nation after nation by sinister interests that are very real, interests hidden behind mythology, be it fictions of religion, stories of imaginary national struggles against non-existent evil or the rallying cry of “us against them” patriotism or, as has become popular of late, incessant fear mongering and hate, all begins through the destruction of human reason.

The focus has gone to Israel above all other nations for a couple of reasons:

- Israel, through a network of “assets” and powerful individuals placed in key positions over generations has virtual control over the United States, United Kingdom, Germany, Canada, France, Italy, Poland and Russia. It has increasing influence over China and India. The dedication and achievement here has been brilliant but the end result may bode poorly for humanity.
- Israel itself is hardly a home for Jews or has anything to do with religion. It is a “state of convenience” much like Andorra or the Cayman Islands where you can get good coffee or find nice beaches but the underlying purpose is a safe haven, a nation operating totally outside all international law that can never answer for anything it does because of the its influence in the US and their military power and veto in the United Nations Security Council. Israel has broken every imaginable law, sold WMDs to dictators, spied on friends, so much more, assassinations, massive financial crimes and nothing is ever done. Some would call it brilliant. Some would call it depraved. Few call it anything because Israeli interests control almost all media and pop culture in the world.

HONEST WORDS ABOUT ISLAM

- Thinking of “Islam” as a billion people all behind a single idea is insane. Muslims hate each other more than they hate Christians and Jews. Arabs, Pakistanis or Indonesians have little or nothing in common but religion and are extremely unlikely to ever band together for anything at all. In fact, Islam, like every other religion, has been used to control and exploit. Filled with tenets of sharing and charity, there are so many wonderful things within Islam as with other religions. Islam developed in a pre-feudal culture and, as is easily shown by Saudi Arabia, has massive failings if it is relied on as an impetus for good government. The problem is, this message is droned into Americans and other westerners 24 hours a day without balance or fairness. Look at Pakistan. It is run by 5 families. It has extremely rich and extremely poor. It has nuclear weapons, wonderful engineers and scholars and horrible poverty. Yet, next door is India, a country that spends its life telling of corruption in Pakistan. India is run by 40 families. It has extremely rich and extremely

poor, in fact so many extremely poor people that the numbers are almost unimaginable. It has nuclear weapons, wonderful engineers and scholars and horrible poverty.

- The vision we have of Islam as a threat isn't real; it is a product of the Cold War when the US and Russia played childish games with the world over failed political systems, poorly designed communism and "pretend capitalism" run by banksters, oil companies and totally corrupt political parties. Horribly corrupt states aligned with America, often operating with brutal oppression as with Iran. No matter how vicious the dictator, he was considered a heroic defender of freedom if he took American money. Any state that aligned with Russia was considered a "rogue state" and enemy. Many states, like Iraq and Egypt went both ways, became "rogue states" and later became "democracy loving allies". How did Saddam move from "democracy loving ally" to "brutal dictator"? With Russia gone and Israel wanting to crush any powerful rivals in the Middle East, it was simple. The real history, the secrets your grandchildren may be privileged to read will tell the story of how Saddam was pushed into invading Kuwait, told by America it was "OK" and then, eventually crushed. When George Herbert Walker Bush refused to finish the job, he was thrown out of office. When Clinton refused to finish the job, he was impeached. When Al Gore couldn't be trusted to finish the job, his presidency was overturned in a rigged election and an outrageous and illegal Supreme Court 5/4 decision. When "little Bush" took over, dry drunk, addict, sociopath and weakling, America fell totally to Israel.

HOLOCAUST GAMES

Between 50 and a hundred million people died in World War II. The real causes of the war are always lied about. Those who win wars enjoy lying about them later and hanging the losers as "war criminals". A key component of the war was Hitler's hatred for the Jews and his idea that Jews could no longer be allowed to live in Germany or "Greater Germany", which could have meant anything. Was this belief insane?

Of course it was. Anti-Semitism and anti-Zionism had been blended into a racist monstrosity that attracted a powerful following among very diverse groups all over the world. Wealthy and powerful "conservatives" hated Jews as "foreigners" or "dirty" and Christians used hatred of Jews as a way of advancing religious dogma. An undercurrent of financial elitists, the Bush family, Rockefellers, Henry Ford along with Britain's aristocracy and many others saw Zionism as a threat to civilization.

They believed the *Protocols of the Elders of Zion*, a publication of immense controversy, outlined a plan by world Zionists to push America and Europe into a series of wars ending up with massive debt, economic collapse and eventual rule by a banking cabal controlled by Jews. [EJ: Well?] Whether the Protocols were real or a forgery, world financial systems that have guided a well over a century of our history have been controlled

by Jewish banking organizations, groups that, however, in no way reflect the values or aspirations of Jewish people. Not knowing this was Hitler's insanity.

Hitler blamed the Jews for creating communism and for working with the British and French governments to misuse certain codicils of the Treaty of Versailles to loot Germany's banking system. To Hitler, communism was a Jewish creation and the failed war one that Jews had somehow manipulated Britain and France into forcing on Germany. A strong case can be made for this analysis but factors of German character and nationalism also play a significant part.

Jews were a vital part of Germany, making up a good portion of her armed forces in WW1. Even in WW2, 150,000 Jews served in the Wehrmacht. With the founding of the State of Israel, the tradition of Jews defending the nations of their birth has become unpopular.

When examining the holocaust, it is only fair to include Russian civilians as the single largest group of sufferers by far but also, Gypsies, and even British civilians exposed to Germany bombing must also be mentioned. Discussions over "how many" or "gas chambers or disease" are, or should be meaningless except for one vital issue. Israel uses continual references to the holocaust to justify acts not dissimilar that it has engaged in that have, directly or indirectly, led to the deaths of well over a million Palestinians, Iraqis, Lebanese and others. There would have been no Iraq war without the manipulations of Israel and her friends in America, in America but working against America.

A strong case for a holocaust against Palestinians that support deaths of up to 500,000, 300,000 of whom may have been murdered in massive ethnic cleansing in the late 1940s is not only supportable but now the root of our current Middle Eastern tensions. This holocaust occurred while Israel was telling the world they were under continual attack from massed Arab armies, a cover story that was a total fiction, a fiction depicted in the Paul Newman film, *Exodus*. As Jeff Gates states, "Israel has a talent for story-telling, supplanting truth with beliefs."

Thus, little or nothing of what 90% of Americans, everyday people, scholars and even political leaders believe is true. Much of it is totally false, utterly without any basis in reality whatsoever. People who are conditioned to accept lies unquestioningly are slaves.

THE JEWISH VICTIMS OF ISRAEL

It doesn't take a genius to trick a Jew into supporting something insane. If a Jew in America reads that Arab armies, armies we know simply don't exist, are waiting to invade and start a new holocaust, he will give money, even send his children to train with the IDF. This same person sends money to the ACLU and may have marched next to Martin Luther King. How does a person know how to do what is right when they are lied to?

Christians are the same way. How easy was it to twist millions who mean well into forces for totalitarianism, nuclear destruction and genocide simply by selling the heretical absurdities of rapture and the "end times". The innate desire for human beings to have hope, believe they can survive the blackness of inevitable

and permanent death and yet, while alive, be a part of a complex mythology far more science fiction than Christianity.

If you can sell someone one outrageous lie, you can sell another. Once people believe that eternal life is tied to supporting a corrupt Middle Eastern government involved in a massive genocide, you can convince them of anything. Imagine telling a person working in a Wal-Mart, subject to firing at any second, one paycheck from living under a bridge, that a government effort to provide reliable medical care for their children, children who haven't been to a dentist for years, that "socialism" is going to over throw America's "free market system".

Anyone could and many have convinced people who believe any of these things to kill kids in Gaza, torture and rape innocent kidnap victims in secret prisons or worse and we have done so much worse than this.

We start by convincing decent people, through systematic psychological warfare waged through pop culture, TV news, radio propagandists and religious phonies that up is down and black is white. After conditioning all reason and reliance on rationality and fact away, constant droning of "fear this" and "fear that" leads to "hate this" and "hate that" and we have reverted a human into something less, much less than an animal. Are the people we see as enemies really our friends and the people we see as friends really our enemies? Does a human being know the moment they wake up a monster? If you are immune to brutal crimes committed in your name, whether tons of drugs shipped out of Afghanistan or a Hispanic disabled veteran being hounded by police in Arizona, you have become a monster.

At least we don't have to worry about Palestinians and Gaza. Every American with a television or radio has, for generations, been continually told that Palestinians were murderous animals that deserved to be killed, even at birth. Every time you see this in a film or TV show, wait for the credits. Check the names. When you hear it on the radio, see who pays the bills. You won't be surprised; we have always known all along.

DEFINING A BEGINNING

Everyone isn't supposed to be an economist or really know the difference between a Fascist or a Federalist. Frankly the differences are so subtle it doesn't matter anyway. There are some things that can be accepted and built from. Every list starts somewhere, and the basic aspects of what is and is not real is our biggest stumbling block.

- Nearly 7 decades ago, Eleanor Roosevelt pushed the United Nations, an organization crippled by Security Council veto power, to accept a declaration of universal human rights. Since that time, aggressive war, human trafficking, economic exploitation along with ethnic, racial and religious violence have moved the world backward instead of forward. Until we define a human being with rights free from mitigation because of race, religion or any other imaginable reason, and are willing to use every resource at our command to enforce such human rights, we are a failed species.

Western Savagery Ready to Unleash Nuclear War on the World Based on Lies

by Lisa KARPOVA
July 21, 2010

The history of endless US savagery reads like a horror story. Of course there was Hiroshima and Nagasaki. Just a little preview of things to come when a monster gets its hands on weapons of mass destruction.

When they first started feeling their oats after the Warsaw Pact was disbanded, there was the savage, murderous attack on Yugoslavia for a pack of lies. Damage done to Yugoslavia was estimated to be USD 30 billion. In the 78 days of the attacks, 540 buildings were destroyed, 58 bridges and 30,000 homes.

There were 146 air raid alarms which combined lasted for 774 hours, for an average of 9 hours and 55 minutes a day. The insatiable lunatics were flying over 650 sorties every night. Talk about savagery and overkill, lack of civilization and absolute terrorism, not to mention the war crime of collective punishment of Yugoslav civilians who were expected to rise up against their leadership because they had been sufficiently terrorized.

Is this the way a respectable nation behaves, a nation who expects everyone else on the face of the Earth to be a carbon copy of themselves?

At one point during the bombing, NATO spokesman Jamie Shea likewise said the following:

“If President Milošević really wants all of his population to have water and electricity all he has to do is accept NATO’s five conditions and we will stop this campaign.”

Right, just like that, roll over, bend the knee and allow NATO to do whatever it wants.

Then there was Iraq. A completely devastated infrastructure, over a million dead and people still dying and suffering...much of the environment plagued with nuclear contamination, NATO totally wrecked the place. Again, all because of lies.

Then Afghanistan, now being forced to reveal and surrender its great resources, not to mention the lucrative drug trade, the heroin and opium, now being mass produced thanks to NATO.

What Part of “Bans the use or threat of force” does the US and Israel not understand? This is part and parcel of the UN Charter.

Specifically, in UN Resolution 1887 of September 2009, the Security Council reaffirmed the call for all states to resolve nuclear issues peacefully in accordance with the Charter, which bans the use or threat of force.

Iran’s military doctrine is strictly defensive ... designed to prevent any invasion force from occupying the country. Iran is also committed to diplomatic solutions to hostilities or disputes. Iran only has “limited ability” to project force beyond its borders. Studies done make clear that the Iranian “threat” is not military. Iranian military spending is low compared with others in the region, and less than 2% of that of the U.S.

US efforts to slander and lie about Iran’s peaceful

nuclear program range from the outright fabrication of documents recently discovered in at least two instances, to trying to silence the IAEA and Director General, Mohamed El Baradei, who just cannot be convinced to lie for them.

Anyone remember the fabricated document purporting to show an Iraqi effort to buy uranium in Niger, which was used by George Bush as part of his propaganda efforts in the buildup to the Iraq invasion of 2003? It’s happening again and there is no excuse for people to be unmindful and especially silent that it’s happening again.

Why is it constantly ignored in the western corporate media and by all the lying political buffoons that Ayatollah Ali Khamenei issued a fatwa forbidding the production, stockpiling and use of nuclear weapons on August 9, 2005. The full text of the fatwa was released in an official statement at the meeting of the International Atomic Energy Agency (IAEA) in Vienna. That ostensibly should settle the matter once and for all.

What part of “it is forbidden” do they not understand?

Now regarding the threats against Iran, what are Israeli warships doing, for the first time, in the Persian Gulf, the Strait of Hormuz and Iran’s maritime areas? They are accompanied by a US fleet whose declared mission is “to implement sanctions against Iran and oversee the ships arriving or departing Iran.” British and Israeli media reported that Saudi Arabia is providing a corridor for the Israeli bombing of Iran (Saudi Arabia denies this, another lie).

Military equipment being prepared for the aggression against Iran includes 387 “bunker busters” [bunker buster bombs] used to attack fortified subterranean structures. Preparations for these “massive attacks” with bunker busters, the most powerful bombs in the small arsenal of nuclear weapons began in the Bush administration. Upon taking office, Obama immediately accelerated the plans in order to target Iran.

“They are in high gear for the destruction of Iran,” said Dan Plesch, director of the Center for International Studies and Diplomacy at the University of London. “Bomber and long-range missiles are ready today to destroy 10,000 targets in Iran in a few hours,” he said.

Again, Operation Overkill; Operation Terrorize the People; Operation Destroy a Country; Operation Contaminate the Land and Kill and Deform Generations to Come. They are planning nothing as they state, it’s not going to be a mere “surgical strike.” The US and Israel love to whine and play the terrorism victim card, but they themselves are the worst terrorists this world has ever seen.

Current activities of the Empire have led revolutionary leader, Fidel Castro, to gloomily predict that nuclear war will soon be upon the world. It is a resignation that cannot be taken lightly, knowing the courage that was required for all the many successes of this man’s life.

Every country’s leaders need to be called to account for their mindless lockstep with Washington on this planned attack, as well as the sanctions. Who do these leaders work for, their people or Washington/Tel Aviv?

At this point, we can only ask the creative power

- Until we are willing to accept that the (CURRENT) predominant western culture that defines our planet is instilled at its root with a bias toward spreading poverty and debt for the purpose of centralizing control of the world’s assets, be they human labor, oil, minerals or intellectual achievement, we will never understand the nature of our collective decline and our shared fate.

- Until we are ready to accept that the global drive to the accumulation of power through debt, a power dependent on chaos, on war, on corruption at every level, is the primary impetus for the vast majority of the world’s governments and super-governmental institutions that control wealth and resources, human history will remain in freefall. **[EJ: And until we are willing to accept fiat money as an illusion and DEBT as a Fraud we will not reverse that freefall.]**

- Until we are ready to criminalize systematic disinformation campaigns disseminated through centralized control of the world’s mass media, campaigns designed to disenfranchise the “so called” democratic west, we will exist in little more than Kafkaesque slavery.

THE ONE PERCENT

In a world of “think tanks” and “position papers”, of universities devoid of academic freedom and endless political espousements from rodeo clown hate mongering propagandists, those who “get it” may only be 1%. They won’t be the richest, the most righteous nor are they likely to be famous. They will define courage, sacrifice and honor because these are terms they would never use, not for themselves or others. Those who know all war to be economic and all “news” to be lies are of the 1%.

A “one percenter” asks where the \$65 billion in heroin profits from Afghanistan went. A “one percenter” asks why \$275 billion in pentagon fraud is discovered but swept under the rug a day later. A “one percenter” watches planes crash into the twin towers and may think terrorism but then watches Building 7 mysteriously flow into the ground, “pulled” somehow magically at a moment’s notice and knows a game is afoot. A “one percenter” will immediately turn on the TV, wait for the pre-scripted harangues to begin and predict the road to totalitarianism at home, war abroad and the eventual economic “pump and dump” collapse everything was staged to bring about.

When a “one percenter” hears the word “patriot” or sees a flag or bible, he cringes, knowing a scoundrel is afoot. If a new world is built, it is the one percent that will do it.

[EJ: I doubt that the picture and outlook are quite as bleak as Mr. Duff would have us believe but at least he has fingered some of the problems. That seems to be easy to do; how about pointing the way to freedom and sovereignty? Are we and Ellen Brown and very few others the only ones interested in that?]

that brought the universe into being (whatever your particular faith or belief system uses for a name) and all that we know as good, pure and beautiful, to put a protective hand on the great people of Iran and spare them and us the planned horror, put every obstacle in the path of the dogs of war, the evil empire, the greedy gluttonous forces of hell that base themselves in the USA and Israel. Excellent writing on the conspiracy for world Jewish domination: “The Longest Hatred: An Examination of Anti-Gentilism”

A short book was produced by anonymous Christian British authors in the 1980s/90s, and examines the world Jewish conspiracy from the founding of the Rothschild’s “Bank of England” to the Jewish-directed Bolshevik Revolution to the modern-day Jewish control of the Western media and non-white immigration invasions into the Western Christian nations.

THE LONGEST HATRED: An Examination of Anti-Gentilism

<http://www.biblebelievers.org.au/hatred.htm>

Excerpts:

“Major Robert Williams of American Counter Intelligence revealed in his book *The Ultimate World Order* that there was “A Jewish World Power movement hidden inside the Communist movement” and that “it is the Anglo-Saxon who must be undermined, softened, brainwashed, made to breed with the dark races if the Zionists are to win”. He projected that the master strategists would precipitate a Third World War between the Zionist State of Israel—backed by America and the West—and the Arab-Moslem World, supposedly backed by the Soviets, the real objective, however, was to destroy the industrial and military capacity of the West and Communism. He regarded Communism as merely a temporary tool of Jewish ambition, and predicted that a Jewish World Super State would be built on the ruins created by such a war. He concluded: “Unless the American people recapture their government and smash the Zionist machine, the insane elements within that machine may wipe out Mankind.”

“The Banking System which was foisted on this country in 1694 and during succeeding years over most of the world has been the main means by which the Jews have brought misery and impoverishment everywhere. By their manipulation of finance they have been the cause of most wars and economic and social troubles. They have been able to obtain control of governments and of the means of publicity (Press, Radio, TV, Films, Publishing Houses, News Services, etc.) and so have been able to suppress the truth and propagate the lie. This has enabled them to fool and bully the people of the world into following the most suicidal courses until the Jews are now in the position of expecting to clamp final dominion upon the world by means of a supranational organization and some form of irresistible world police force which they would control.”

In 1912 Israel Cohen wrote a book on Communist tactics entitled *A Racial Program for the Twentieth Century*. It has proven to be prophetic:

“We must realize that our Party’s most powerful weapon is racial tension. By pounding into the consciousness of the dark races that for centuries they have been oppressed by the Whites, we can mould them to our program. The terms ‘colonialism’ and ‘imperialism’ must be featured in our propaganda. In America we will aim for subtle victory while inflaming the Negro minority against the Whites; we will endeavor to instill in the Whites a guilt complex for exploiting the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sport and entertainment. With this prestige, the Negroes will be able to intermarry with the Whites and begin a process which will deliver America [and Britain] to our cause.”

This is why the Banker-controlled TV and advertising industry are working mightily to promote the Negro and why we now have Negroes and Asiatics reading the ‘news’ and entertaining our children. Just how successful has all their propaganda been can be seen throughout Britain by the increasing numbers of Britons rushing to commit racial suicide by cohabiting with the dark races and producing mongrels. Carried to finality this means the permanent and irreversible destruction of Britain and the British people, which is exactly what the Money Lords intend.

Christians are stultified in their attitude to Jewry because they believe that Jesus Christ was a Jew and that Christianity came out of Judaism. Both of these beliefs, although now well established, are lies. Jesus Christ was not a Jew. He was a direct descendant of Judah, the son of Jacob, which the Ashkenazim (Khazar) Jews have never been. Jesus was a Galilean as were all of his disciples, except Judas who was an Edomite Jew. It was the Jewish Pharisees and Sadducees who were Christ’s bitterest opponents and finally had him crucified. Christ himself uttered the most scathing denunciations and rebukes against the Jews which today would certainly land him in the dock under our Jewish imposed Race Relations laws.

Christ called the Jews “a generation of vipers” (Matt. 23:33). According to the eminent Biblical scholar Scofield, in his Reference Bible, the word translated “generation” in the New Testament of the Bible means “race”. Christ also seemed to hold the Jews responsible for all the innocent blood shed from the beginning of history (Matt. 23:25). The Jews, in fact, use the serpent as the symbol of their tribe and have stated that when the serpent entwines the globe they will rule the world.

THE BIBLE AND MULTIRACIALISM

THE BIBLE, which forms the true basis of the Christian faith, nowhere teaches the amalgamation of races. What it does teach is that God is the author of racial separation and that He originally scattered the races across the face of the earth, assigning to each its own territory. God’s law of reproduction states that “everything should bring forth of its own kind”—Genesis 1:11. In promoting and defending the mixing of races, ministers of religion have placed themselves firmly on the side of the enemies of God. It is the Communists, the Illuminati, the UNO and

other assorted anti-God groups who are determined to destroy the God-given and ordained entity of race.

NARCO NEXUS MAY BE MANAGING TERROR WAR

by Gordon Duff STAFF WRITER/Senior Editor

First we are told opium and heroin are financing world terrorism, then General McChrystal tells us that we have to allow the harvest to be finished, processed into 65 billion dollars of heroin and shipped out on rendition flights and American Global Hawk UAV aircraft for distribution around the world.

I was surprised to hear the “rumor” that our massive Global Hawk UAVs that fly at 80 thousand feet were being loaded with drugs in Balochistan and flown around the world. Prior to that, FBI translator Sibel Edmonds had only told us of drug trafficking on rendition flights.

This is now a fact, not “theory” or conjecture. Is the Global Hawk story fact also? Having this confirmed was a shock for us. We had been tracking the presence of “contractors” servicing UAV aircraft in this region and knew it was impossible to be arming and operating them against terrorists as facilities for this are unavailable at the 3 small air strips in the region. Each Hawk holds tens of millions of dollars of processed heroin which can be flown anywhere in the world. We have numerous confirmations that this is being done.

Tens of thousands will die from this harvest of death. Who profits and why is it necessary for chaos to continue for the money to flow?

First of all, with this much money, assume everyone is involved, no country is totally free, including our ally Israel, world’s most capable narco-capitalist but it doesn’t stop there.

HOW NARCOTICS AND TERRORISM SERVE EACH OTHER

Narcotics provide cover for the war by making it impossible for Afghanistan to ever have a stable government. Drug lords are never going to become responsible tribal leaders. However, they also can’t fly tons of heroin around the world nor can they bank billions of dollars. They need help.

This is what the war supplies, thousands of experts have

flooded into the region to train Afghans to live as free people in a democratic society. Many of these outsiders, some from India, some from Israel traveling under false passports and hired as US contractors, many Americans with security contracting companies and, perhaps government agencies themselves, are involved.

What we are keeping quiet is the fact that so much money is flowing out of the region into so many pockets, journalists included, that nothing is reported, nothing is done and training and arming terrorists has become an integral part of maintaining the war.

If the war ends, the Taliban might take over and end drug trafficking like they did before.

EACH NATION HAS AN AGENDA

Israel is in Afghanistan and Balochistan to do a couple of things. They are in Pakistan's "breakaway" province of Balochistan organizing attacks on Iran and working to separate Balochistan from Pakistan. India and Israel would then control this region allowing access for a new gas pipeline bypassing Iran.

This has been very public but never reported. The illegal wars against Pakistan and Iran, yes Iran has suffered many terror attacks by Israel staged from this area of Pakistan, serve a number of purposes.

- Pakistan's economy is destroyed, making it impossible, were Pakistan not endemically corrupt politically, for them to deal with the root causes of extremism in the tribal areas. Both helping drown Pakistan in debt is the key. With US funding tied to Pakistan quietly taking a beating from Israel without complaint, the absurdity of the situation must be overwhelming at times.
- Iran is openly attacked, suffers UN sanctions for violations that Israel openly escapes sanctions for because of the US/Israel Security Council veto, and Iran's responses are misconstrued as aggressive threats when they are much more the victim, albeit led by a total fool. **[EJ: Do we detect some bias here? I am of the opinion that Ahmedinejad is brighter, better informed, and far more dedicated to peace than this author, Gordon Duff.]**
- Israel has been allowed to become a nuclear state, protected, financed and armed by the US though Israel's policies are distinctly anti-American. Their penetration of congress and the press have allowed them to engage in ethnic cleansing, illegal nuclear proliferation, massive financial crimes, narco-trafficking and espionage against the United States without consequence.
- India, aided by Israel and the United States, has set up terrorist training camps in Afghanistan, a country led by a pro-Indian government under Karzai. These camps, openly admitted by US officials, sit beside similar camps that collect, process and ship heroin. Nobody wants to talk about any of this. However, as these camps also directly support the Pakistan Taliban, their only real purpose, and have now been proven instrumental in an attack on the United States, even more effort will be made to hide their presence.

IRAN AND ISRAEL

The *New York Times* tells us that Iran has threatened Israel with a nuclear holocaust. This was the threat:

Time will ease Israel from the pages of history.

This is what the *New York Times* said:

We will wipe Israel off the map!!!

Every report of Iran building nuclear weapons has been debunked. Iran has been "one to five years" from having a "nuclear device" for 20 years. So have Luxembourg, Andorra and the Maldives.

Any country in the region, by international law, who develops nuclear weapons is considered a rogue state except for "wink and nod" Israel. Aiding such a state is a crime. US aid for such a state, "the only democracy in the region", is a crime.

These are the issues where total misconceptions of history are used to support Israel:

- The 1947 war was not "poor unarmed Israelis" fighting Arab armies. It was a highly organized war of annihilation that killed 300,000 Palestinians. Everything said about this war is a total fiction. This was the beginning of an ethnic cleansing.
- In 1956, Israel went to Britain and France to aid in a sneak attack on Egypt to take over the Suez Canal. President Eisenhower blocked this, threatening broad economic sanctions against both France and Britain. Israel was the aggressor in this sneak attack on Egypt.
- In 1967, Israel attacked Egypt, a sneak attack, catching Egypt's air force on the ground. Israel started the 6 Day War as an illegal war of aggression with no provocation. To hide this, Israel attacked an American ship, the USS Liberty, an act of war against the United States. This attack has more documentation than the holocaust. Every word about attacks on Israel by "Arab armies" is a total lie. This was an illegal aggressive war begun by an atrocity against American sailors and a sneak attack on Egypt.
- Israel developed nuclear weapons, starting in the 1960s. President Kennedy, soon after demanding that Israel immediately cease was murdered. Since this time, the US has used its veto hundreds of times to protect Israel from sanctions exactly like being imposed on Iran, sanctions for, not only nuclear weapons but for gross violations of human rights. None of this has been accurately reported to Americans. We have been lied to in a brutal fashion by not only our press but our own government for decades.
- Israel has operated as a "pirate" haven, not unlike Somalia, a home for financial criminals, weapons and narcotics dealers, spies and powerful financial organizations that spent hundreds of millions of dollars a year entertaining American politicians and military leaders, often leading to threats and blackmail. These tactics and others have given Israel total control over American foreign policy.

Israel claims Iran is planning a new "holocaust". The more death and destruction in Gaza, the more we hear "holocaust".

Let's look at a fact. More Palestinians have died already

than Jews under the "holocaust" prior to 1941. In fact, Israel has caused the death of more of its own citizens, having "classified" Palestinians the same way Germany classified the Jews, than the first 8 years of Nazi butchery. Please check the figures. Palestinian deaths are at nearly 500,000 with 300,000 having perished during the sectarian violence described so fictionally in the Leon Uris novel Exodus.

Many don't care, even in the Middle East because Palestinians are considered "dirty and troublesome". Europeans thought of the Jews as "dirty and troublesome" also.

ISRAEL AND THE ARABS

The US created Israel. The US also created Saudi Arabia, Kuwait, Iraq, Iran, our current version of Egypt, in fact the entire region with minor exceptions has been a US creation. **[EJ: Mr. Duff could state these facts a bit more accurately by expanding it to include the fact that the US is not run by Americans or the Republic. It has become a monstrous creature of the Luciferian Corporation run by the Israeli Lobby.]** Why don't you hear about threats from Egypt, Jordan, Iraq, Turkey, Kuwait, the UAE, Saudi Arabia, Yemen or other nations against Israel?

All these countries that Israel talks about banding together and exterminating the Jews are militarily weak or have no offensive capacity and in reality have warm and friendly relations with Israel. Are these nations corrupt? Yes, of course, exactly like the United States and Israel.

Many of these nations have been found working closely with Israel.

Whether Israelis live as Europeans and behave as monsters while some of the oil rich states we use in comparison, 'brutal and backward', shouldn't influence American policy. America placed Israel in the Middle East as a state **[EJ: Wrong! Lord Balfour was British.]** that could live above any and all law, extradition, nuclear regulation, money laundering restrictions or any other civilized international convention for a purpose, much as the US created the primitive dictatorships that keep the oil flowing. These bizarre and corrupt states serve the interests of a corrupt oligarchy that now controls much of the world.

A subtext of deception and manipulation has pushed the world into a cycle of economic collapse fueled by debt, powered by war, a subtext keeping the world in poverty and chaos with one purpose, the accumulation of power without intelligence and reason.

THE ILLUSION OF TERRORISM

Terrorism is an expression of ignorance, anger and poverty. The Bush administration and its friends in Israel and elsewhere combined terrorism, deception and religious insanity into a stew meant to facilitate the creation of a biblical monstrosity designed to bring about the "end times" and the destruction of secular society and all democratic states.

Is this what Israel wanted? Do Jews all await the time when they are forced to convert to Christianity or die, the real aim of the American "Taliban"? [??]

A good look at what the world and America in particular has become clearly shows that if terrorism didn't exist, we would invent it.

Another good look will show that, in fact, when terrorism lacked organization or the ability to strike at targets in

the US and Europe, intelligence agencies which had long penetrated every terrorist organization on earth, in fact took control of many of them.

Why would governments war on their own people? There are always reasons and justifications for everything. “We kill a few thousand people but build a more secure world that will keep us safe (and rich with cheap oil and heroin) for decades.”

RECOGNIZING A CRIMINAL

Today, it has become simple to recognize the criminals who lead us. If a military leader tells you that opium has to be protected, though it causes more suffering than any war and most diseases, you know you are hearing a criminal.

When you hear a politician talk about Afghanistan, carefully avoiding taking responsibility for massive increases in drug trafficking under US control, assume he or she is involved.

When a terrorist moves from one country to another through the toughest airports in the world while Nobel Prize winners sit in detention for hours because a “suspect” somewhere has the same last name they do, you know this government is working in support of terrorism.

When you see a politician on television talking about heroes, heroes in a war protecting no one, heroes in a war meant only to live on itself, killing spending, and growing as though it were alive, talking war but never addressing the cause of war or the cost of war, you are seeing a criminal.

Every individual that profits from war, be they arms manufacturers or military officers who know how to smile in photographs and fight unsuccessfully, sacrificing the lives of others year after year or even the media that cheers it all on, a media more responsible for breeding hate than any Madrassa, as Glen Beck and Ann Levensohn Coulter prove every day, is criminal, is complicit and should be required to pay a sacrifice equal to their crime.

IT WAS ALWAYS ABOUT ONE THING, MONEY

If terrorism didn't exist, would we invent it? Was terrorism invented to replace the Cold War? Are all intelligence and security agencies involved in terrorist acts? How can American or Israeli or even Indian groups recruit Islamic terrorists? How can the tiny nation, Israel, push America into war and economic collapse?

Who is served by terrorism? If our own governments helped create terrorism, was it done to instill a regime of oppression under the guise of “keeping us safe”?

Has terrorism raised the profits of arms and oil fiends and lowered our standard of living? How many countries are now drowning in debt? How has terrorism managed to impoverish only the world's middle class? Why has the one nation that complains most about terrorism gained the most from it?

How many millions more are living in poverty and ignorance while billions are spent to end the terrorism we only seem to be fueling?

How much less free is the world, how much more are we all watched, listened to and threatened in our daily lives because of the business of profiting from terrorism?

Who are the real terrorists? [EJ: All good questions.]

To compel a man to subsidize with his taxes the propagation of ideas which he disbelieves and abhors is sinful and tyrannical.
